

CIMH Fiscal Leadership Institute: Background and Updates

Training Institute Successes:

- Build a pipeline of effective county behavioral health fiscal staff;
- Ensure fiscal managers have information and tools to be successful locally; and
- Provide best practices in county fiscal and program management.

DACUM Process

13 Counties

What skills, knowledge, abilities are necessary for a fiscal manager in behavioral health settings?

The Results

Aside from the financial skills of budgeting, reimbursement, etc. fiscal managers also must be able to :

- Make presentations;
- Participate with other managers in planning, policy, and program deliberations;
- Operate, supervise, and manage multiple complex tasks;
- Supervise, mentor, and train staff;
- Facilitate meetings;
- Manage time and
- Develop leadership and succession planning
